We have satellite offices in Galesburg, Sterling/Rock Falls and Quincy. The Plumbers and Pipefitters Local Union 25 is a member of the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry of the United States and Canada.

In cooperation with the Eastern Iowa and Western Illinois Mechanical Contractors Association, Plumbers and Pipefitters Local Union 25 has met the challenge of providing skilled, professional craftsmen. This is the result of comprehensive training programs supported by the United Association and the contractors to meet the needs of an ever-changing industry. The dedication of past and present members and contractors has paved the way for us to become the most highly trained, technologically advanced professionals in the industry.

With the Mechanical Contractors Association and Local 25 involved in a project, labor and management work as a team to give the customer the best possible service. We establish a working relationship with each project's general contractor, architect, engineers, plant managers, and owners. Studies show that customers DO get the best service with union labor.
